Summary

A Computer Science student at Green University of Bangladesh with a strong academic record and practical experience to web development, AI/ML, and system design. Proficient in Python, Java, JavaScript, C, C++, with basic knowledge of React, MongoDB, HTML, CSS, and database management. Seeking an internship to apply technical skills and contribute to impactful software and AI projects.

Education

- **Green University of Bangladesh, Rupganj** *2022 - Present*
  Bachelor of Science (B.Sc.) in Computer Science and Engineering **CGPA: 3.76**
- **Bheramara Govt College, Kushtia** *2019*
  Higher Secondary Certificate, Jessore Board **GPA: 4.50**
- **Bheramara Pilot Model High School, Bheramara** *2017*
  Secondary School Certificate, Jessore Board **GPA: 5.00**

Thesis

- **Margin-Based Multimodal Representation Learning for Robust Document Classification.**
  Supervisor: MS Babe Sultana, Department of CSE, Green University of Bangladesh **Expected: 2026**
  - Designed a margin-based multimodal document classification framework by integrating text, image, and layout features to improve robustness and handle unseen document types.
  - Implemented and evaluated a KNN-based uncertainty-aware rejection mechanism, achieving improved accuracy and reliability over text-only models.
  - **Technology:** Python, PyTorch, Multimodal Learning, KNN, BERT, Scikit-learn, NumPy, Pandas, Matplotlib.

Projects

- **Go-Desh Tour and Travel Management System** ***Aug. 2025 - Dec. 2025***
  A Tourism Management System designed to manage tourism operations effectively | Group Project. godesh.vercel.app
  - Developed a role-based Tourism Management System with Admin, Guide, and Tourist roles for managing packages.
  - Worked in a three-member team, contributing to design, development, and project coordination.
  - **Technologies:** React, React Router, Tailwind CSS, Node.js, Express.js, MongoDB, Firebase.

Skills & Interests

- **Language**: C, C++, Java, Python, JavaScript.
- **Web**: HTML, CSS, Tailwind, DaisyUI, React.
- **Tools & Technologies**: Git, GitHub, Visual Studio Code, LaTeX, Cisco Packet Tracer, AutoCAD.
- **Operating Systems**: Windows, Linux.
- **Soft Skills**: Teamwork, Time Management, Problem-solving, Quick learner, Communication.
- **Database**: MySQL, MongoDB.
- **Coursework**: Data Structure, Algorithms, Web Development, Database Management, Cybersecurity, Data Communication, Software Engineering, Operating Systems, AI, Machine Learning, Data Mining.
- **Language**: Bangla, English(Intermediate).
- **Extracurricular Activities**: Arts & Crafts, Volunteer Work and Funding, Playing Musical Instruments.
- **Areas of Interest**: Artificial Intelligence, Machine Learning, Web Applications, SQA.

Awards & Recognition

- **VC Award**, Green University of Bangladesh – Recognized twice for outstanding academic excellence *2022*
- **Dean Award**, Green University of Bangladesh – Awarded 3 times for Academic Excellence *2024*
- **Machine Learning Certificate**, Bondstein Company (15-hour Bootcamp, 2025) *2025*
